FOR THE EASTERN REGION BY THE EASTERN REGION

Part of the Eastern Region's Commitment to Anti-Racist Practice

We warmly invite Global Majority colleagues from all 11 local authorities across the Eastern Region to join an online reflective space, supported and facilitated by a qualified psychotherapist. This is our forth session, following previous successful events. Feedback was overwhelmingly positive, with attendees agreeing that this is a valued and much-needed space.

These sessions provide a safe and supportive environment to share experiences and reflect on feelings. **This space is reserved exclusively for our Global Majority colleagues.**

Connect with peers across the region. Reserve your place today!
