**One Year of the Eastern Region's Anti-Racist Practice Pledge**

Join us for a webinar marking one year since the Eastern Region united behind a shared commitment to embed anti-racist practice within Children's Services, across 11 Local Authorities.

This event will:

- ❖ Reflect on achievements and learning from year one
- ❖ Explore what's next for keeping anti-racist practice alive, active, and impactful
- ❖ Provide space for open conversation, connection, and renewed commitment

Together, we continue building a region where equity, belonging, and anti-racism are at the heart of everything we do and all colleagues are warmly invited to reflect, and look forward together.
